

## OUR PROMISE TO YOU

What happens if you try a product and decide that it's not for you? No problem! If you are not satisfied with any of your purchases — for whatever reason — simply return them to your Avon Representative or Justine Consultant and we will give you a replacement product or your money back!

*No quibbles! No hassle!*

The Avon Justine guarantee applies throughout South Africa and Namibia, and is valid for three months from date of invoice. The Avon Justine guarantee is applicable in addition to your statutory rights.

Each Avon Representative or Justine Consultant is an independent seller. Once your Representative or Consultant has completed this customer order slip and handed it to you, it confirms a contract between you, as a buyer, and the Avon Representative or Justine Consultant named overleaf.

## TOTAL SATISFACTION

You are assured total satisfaction with your purchase. However, should you not be completely satisfied, please contact your Avon Representative or Justine Consultant. If you are still not satisfied, please contact Avon Justine at [queries@avon.com](mailto:queries@avon.com). In addition, Avon Justine is a member of the Direct Selling Association which operates a dispute-resolution service for customers who are still not satisfied.

*Thank you for buying Avon Justine's quality products.*
