Thank you Avon for changing my life and the lives of those around me.

Motsatsi Irene Ramalepe, *Independent Sales Leader*

I am from a small village in Limpopo. Before I joined Avon five years ago, I was working for a retail store as a cashier.

As the bread winner, I had difficulty in supporting my family. I started as a Representative and then became a Sales Leader. Thanks to my good earnings from [Avon Sales Leadership](#), I resigned from my job four years ago and [became my own boss](#).

With Avon I am able to support my entire family. I bought my furniture cash, am able to assist my younger sister with education fees and can afford to buy groceries every month.

Being a Sales Leader has enabled me to change other people's lives by showing them the earning opportunity of Sales Leadership and being a role model.
