PURCHASE TERMS:

As an Avon Representative, you may purchase Avon products for yourself, and your friends/family for personal consumption, as a Beauty Fan. You can also re-sell these products to your own customers. It is Your choice. We show our products in Avon brochures and online. We try to show accurate depictions, but products may look slightly different from their pictures. The prices shown include VAT, however it might not include delivery fees, which shall be paid on top according to your chosen delivery channel. Please check your final invoice for the amount of your purchase. Prices shown are only recommended retail prices and you have absolute freedom to set the final selling price to your customers.

When you place an order with us you understand that your order is subject to our approval. When we accept your order, we will confirm it with details (e.g. the products and its prices) as soon as possible by e-mail, SMS or other appropriate manner. Avon is a direct selling company hence you may generally not sell our products in brick & mortar shops. You may sell your products online or on any platform, as long as you adhere to our brand rules. We cannot guarantee that we will always have stock, but we will let you know if we are running low. If we do not have stock, we will not charge you until we are able to supply. PAYMENT TERMS POLICY:

Credit Payment Terms – if you qualify for payment terms, payment is due 21 days after the date of invoice.

When you apply to be a Representative you consent to us accessing your record from a credit bureau to set your credit limit. If you qualify for credit, we will let you know what your credit limit is. If you do not qualify for credit terms, payment is due in advance of delivery.

Late payment

We will send you an SMS to remind you once your payment becomes overdue. You can either make payment electronically or you can make a payment arrangement to settle your account.

Please pay on time because we will not process any orders until your account is paid in full. We may also provide your information to a credit bureau, which will affect your credit score. If we collect payment from you, you will have to pay our legal and collection costs.

A late payment penalty of R50,00 will be charged 45 days from the date of invoice, and again on 60 days from date of invoice. You will receive an SMS before the late penalties are charged.

Deposit to Buy

If you place an order, you will get an SMS telling you the amount due. You can then pay R250 up front, and earn R1000 (one thousand rand) credit to pay for that purchase. Once you have paid in full, the R250 will be refunded to you.

MANY THANKS FOR MAKING YOUR PAYMENTS ON TIME!
