YEARS OF  
INFLUENCING  
BEAUTY

rethink  
power

EMBRACE YOUR POWER

**The world is imbalanced.**

It teaches us power is masculine. It's logical, dependable, driven. But too often, it gets controlling, aggressive, even violent.

We believe there's another side of power.

**The feminine side.**

It's **kind**. It's **collaborative**. It's **resilient**. It speaks with **empathy**, sparks **creativity** and **inspires** others.

The kind of power within us all, that makes the world a better place for all.

Let's shine a light on the role models who fearlessly embrace their feminine power. The ones who lead by example, who make us feel seen, heard and capable of more than we thought possible.

**Let's rethink power and rebalance the world.**

**Scan and take the pledge to rethink power and rebalance the world. For every pledge, Avon will donate \$1 to the Equal Futures Fund to help create a world that's equal, balanced and free from violence.**
