SPEAK OUT. REACH OUT. END GENDER- BASED VIOLENCE.

One in three women will be impacted by sexual or physical violence in their lifetime. For us, this is not an option. We need to change the world – and we need to do it together.

With the Avon Foundation, we're committed to reaching 100 million women annually to help ensure women and girls can live a life free from violence and abuse.

We promise to use our global voice to break down the wall of silence around gender violence, shed light on the many forms of gender-based violence, and discuss what needs to change in order to end it. Stand with us. Join our movement. Let's create a world that is free from gender-based violence. Raise your voice!

For more information or to find help if you are a victim of gender-based violence, visit: <https://my.avon.co.za/About-Avon/>

Because silence Hurts. It's time to speak up. It's time to stand together for all women.
